

Minnesota English Setter Club

2007 was a busy, productive year for members of the Minnesota English Setter Club. The club hosted a fun match and a Rally education day for members and guests. The club also sponsored back-to-back specialties in August. The winners of the specialties are pictured on the following pages. A silent auction was very successful and generated income for the club's charitable projects, including donations to rescue efforts, local humane societies, and the ESAA health research project.

MESC's Maggie LeFebvre has continued her rescue efforts — placing 14 English Setters in 2007.

Club members have been very active in conformation, agility, obedience, rally, and field, with some attaining high honors in their chosen activity, as you can see from the list of awards and new titles.

Long-time newsletter editor John Hudson retired this year and turned over the responsibility to Julie Luck. In one of his last newsletters, Hudson wrote "It has been an eventful time, in which some of us have suffered heartbreaking losses, while others of us have enjoyed the satisfaction that comes with tremendous accomplishment, or have felt the exhilaration of extreme good fortune..."

OFFICERS & BOARD

- President** Sue Bosshart
Vice President Sandy Hudson
Secretary Maggie LeFebvre
Treasurer Karen Dupay
Board Member Terry Hanus
Membership Jan Casperson
Show Chairman Sherrill Neudahl
