MINNESOTA ENGLISH SETTER CLUB

ESAA HUNT TEST

The club will be holding an ESAA hunt test on September 28th at Good Going Kennels in Baldwin WI. The judges will be Bob Philpson and Bradley Kernan.

The ESAA hunt test is similar to the AKC Junior Hunter test and leads to the HD title, it is a test of the dog's natural instincts for hunting. The HDX test is easier than the AKC Senior Hunter title, in that no live fire will be used. (No retrieving) For more information please see the ESAA web site, under the events section.

SUNDAY, SEPTEMBER 28, 2008
7:30 a.m. start time

The AKC requires that clubs wishing to hold hunt tests first hold practice or parent club sanctioned tests before applying to hold their first official titling test.

Even if you are not competing please plan on coming out and showing your support for those that are. Discover the true beauty of a well bred dog doing the work it was born to do. We are opening this test to all breeds. So pass the word to all of your pointing dog friends.

We will need volunteers to help make this event a success. Lunch will be available for a minimal fee and members attending the hunt test are encouraged to bring a dessert to share. We look forward to great turnout.

Directions: From Interstate 94, take exit 16 for Cty. Rd. T at Hammond - .03miles
Go north on Cty. Rd. T, 3.4 miles through the town of Hammond. Stay to the right (just past Hammond Golf Course) to stay on Cty. Rd. T, 2.1 miles.
Turn right on 110th Ave. 1.0 miles. Turn left to stay on 110th Ave, .2 miles, Turn left on 192nd. St. 0.8 miles. Hunt test will be at the end of the dead end road.

ANNUAL AWARDS

Members are encouraged to apply for the ANNUAL AWARDS, which will be presented at the January annual meeting.

Terry Hanus has again volunteered to be the Annual Awards chairperson. He would like to be able to give out all of the awards so make sure you apply. Not sure of how many dogs you may have defeated — easy, log onto akc.org to get show results.

A pdf copy of the application form is attached with this email copy of the MESC Newsletter. Please note the deadline date of Dec, 15th, 2008 by which time you need to have submitted your awards application form to Terry. It is a huge job to process and verify the annual awards applications and MESC thanks Terry for volunteering to do it!

The BOTTOM portion of the membership application is an "AKC Title Plaque Application" form to be used by those MESC members applying for plaques for their NEW AKC TITLE HOLDERS for 2008. Again, as with the Annual Awards Applications, these forms must be completed and sent to Terry Hanus by the Dec. 15th, 2008 deadline!

Winners of last year's bowls... please turn in your POLISHED bowl by the December 15th application deadline, so Terry can have them engraved with the names of the 2008 winners.

NOMINATIONS

Sandy Hudson and Julie Luck have been selected as this year's nominating committee. The club wishes to thank outgoing board members — President, Sue Bosshart and Secretary, Maggie LeFebvre for their terms of service and for jobs well done!

2009 MEMBERSHIP DUES

Also included with your email copy of the MESC Newsletter is an "MESC Annual Dues Statement" form. You are asked to PRINT your information and SEND THE FORM ALONG WITH YOUR CHECK to Jan Casperson by January 1, 2009. These forms will be used to compile the information published in the MESC Membership Roster for 2009. **Please be sure to update any email contact information as most notices are now sent out electronically.**

RESCUE REPORT

FANCY

Fancy is a 3-year-old female English setter. She is a small girl and very sweet. She is housetrained and loves to follow you around the house. She likes children and other calm dogs. She is a little shy of large rowdy dogs.

Fancy is housetrained, current on shots, microchipped and tested negative for heartworm.

TRACI

Traci is a happy, outgoing, 2-year-old female English setter. She is a small girl at only about 35 pounds. Traci is very sweet, gets along well with other dogs and likes children. She is extremely birdy and will need a fenced yard. She goes on point when curious, and this includes cats! We think she has more than pointing on her mind and will not

be adopted to a home with a cat.

Traci is spayed, housetrained, current on shots, microchipped and tested negative for heartworm.

For more information on either dog, please contact Maggie at dog1harley@aol.com

THANKS FROM THE SHOW CHAIR

From all indications, the 2008 MESC Specialty was a success. I heard nothing but compliments from everyone, especially from our out-of-town guests who all said that we put on a wonderful specialty.

I would like to thank everyone who worked so hard to help make the Specialty a success. It truly was a team effort, and not one of us could have done it alone! Special recognition goes to Sue Bosshart for coordinating the auction and the raffle; Gloria Dallum for making the beautiful quilt for the raffle; Jane Burrows for growing the huge pots of flowers that beautified the ring and pictures; Rick and Jan Casperson, and Mike Warecki for

arranging the great picnic; Pam Larson for arranging the breakfast/brunch; Judi Hunter and Jan Huppert for making and gathering the wonderful assortment of trophies; Sandy Hudson, Rose Miller and Maggie LeFebvre for coordinating the obedience competition; Terry Hanus and Larry Rosenthal for keeping everything in order at the Chief Steward's table; Julie Luck for her work on the logo, shirts and tote bags for the 2009 National and assistance with other graphics, and several others who volunteered to steward at the obedience ring and support the various activities.

*I really enjoyed working with each of you.
Thanks again!*
